

## Opioid Reversal Agents: Tier 1 medications limited to Narcan nasal spray and naloxone

---

### 2024 Blue Cross and Blue Shield Service Benefit Plan - FEP Blue Focus

#### Section 5(f). Prescription Drug Benefits

#### Covered Medications and Supplies

---

#### Benefits Description

Opioid Reversal Agents: Tier 1 medications limited to generic naloxone nasal spray and injectable

#### You Pay

Preferred retail pharmacy: Nothing for the purchase of one 90-day supply per calendar year (no deductible)

Note: Once you have purchased amounts of these medications in a calendar year that are equivalent to a 90-day supply combined, all Tier 1 fills thereafter are subject to the corresponding cost-share.

Non-preferred retail pharmacy: You pay all charges
