

If we overpay you

2024 Blue Cross and Blue Shield Service Benefit Plan - FEP Blue Focus Section 4. Your Costs for Covered Services If we overpay you

If we overpay you

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

We will generally first seek recovery from the provider if we paid the provider directly, or from the person (covered family member, guardian, custodial parent, etc.) to whom we sent our payment.

If we provided coverage in error, but in good faith, for prescription drugs purchased through one of our pharmacy programs, we will request reimbursement from the contract holder.
