**2023 Blue Cross and Blue Shield Service Benefit Plan - FEP Blue Focus**  
**Section 4. Your Costs for Covered Services**  
**Page 31**

---

Because benefit changes are effective January 1, we will apply our next year's benefits to any expenses you incur in January.

If you change options in this Service Benefit Plan during the year, we will credit the amounts already accumulated toward the catastrophic protection out-of-pocket limit of your old option to the catastrophic protection out-of-pocket limit of your new option. If you change from Self Only to Self Plus One or Self and Family, or vice versa, during the calendar year, please call us about your out-of-pocket accumulations and how they carry over.

---

**If we overpay you**

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

We will generally first seek recovery from the provider if we paid the provider directly, or from the person (covered family member, guardian, custodial parent, etc.) to whom we sent our payment.

If we provided coverage in error, but in good faith, for prescription drugs purchased through one of our pharmacy programs, we will request reimbursement from the contract holder.

---

**When Government facilities bill us**

Facilities of the Department of Veterans Affairs, the Department of Defense, and the Indian Health Service are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

**The Federal Flexible Spending Account Program – FSAFEDS**

Healthcare FSA (HCFSA) – Reimburses you for eligible out-of-pocket healthcare expenses (such as copayments, deductibles, physician prescribed over-the-counter drugs and medications, vision

and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26).

FSAFEDS offers paperless reimbursement for your HCFA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.
